To Whom It May Concern:

Alliance Federal Credit Union contracted the services of FastPay Payroll in 2003. Their service has always been outstanding and invaluable. The employees are extremely knowledgeable have been able to help me with any situation.

I am also responsible for payroll for IBS of the South Plains and IBS of the Texas Panhandle. I was so pleased and confident with the service that they were providing Alliance Federal Credit Union; I gladly moved the payroll processing and reporting to FastPay Payroll.

No matter the number of employees, FastPay Payroll is always able handle the payroll. The three companies that I am responsible for are all different in the ways that payroll is processed and they had no problems accommodating all of the differences; from direct deposit to physical checks and deductions.

I would absolutely recommend their service to anyone. In fact, I have recommended their company to business acquaints many times.

Respectfully,

Kristi Downey  
Executive Vice President
