Subject: Recommendation to use FastPay Payroll Services

To Whom It May Concern:

I strongly recommend FastPay Payroll Services for all of your payroll needs. In this day and age, it is rare that you come across a company that exceeds your expectations. We are a long-time customer of FastPay and it has been a truly profitable relationship for us. We never have to worry about whether or not we are processing payroll correctly or if we are in compliance with new legislation – FastPay takes care of all of this for us. I would recommend FastPay if you have one employee or if you have one thousand.

Sincerely,

Chris Hutson, CFO
