

Fast Pay -- Payroll

We have been using "Fast Pay" since April 1, 2000, and have certainly enjoyed their fast and friendly customer service. They have always been accurate in handling our company staff payroll and anytime we have needed special payroll processing they have always met our deadlines in making payroll. Fast Pay has provided us with timely reports to meet the needs of G. Boren Services. We appreciate not only their friendly service but the quality of payroll forms they use in their business.

G. Boren Services is proud to work with such a fine Christian organization as Fast Pay, and look forward to a quality future relationship with Fast Pay.
