Dear Gary and Peggy:

I want to thank you for your assistance and cooperation during our conversion to FastPay Payroll Services. Your pleasant, knowledgeable, and very helpful staff made the conversion far easier than I expected.

The reduction in man-hours and stress that we have experienced from out-sourcing the payroll function are more than worth the cost of your service. Your software is easy to use, and your reports are not only versatile, but also of sufficient detail to satisfy even the most demanding user. In summary, I am very pleased with your product and look forward to a long and productive relationship.

Sincerely,

Larry D. Johnston
